

# Friendship Service Center 2022 Holiday Wish List

## **Adopt-A-Family**

This holiday season, you can help bring happiness to an entire family or individual. Your support could especially benefit children and families in the Friendship Service Center's Supportive Housing program. Many residents are housed with little more than the clothes on their backs and hope for a better future. Your gift could provide residents with a happier and more fulfilling holiday, providing essential needs, and inspiring self-sufficiency.

Donors can help in **one of two ways**:

- Be a **Gift Sponsor** and receive a family's wish list of gift suggestions to assist with shopping and we will wrap and deliver to the family.
- Be a **Financial Sponsor** and a volunteer will shop on your behalf.

If you can't adopt a family by yourself, please consider teaming up with another family or organizing your church, workplace, or community group to adopt.

The Friendship Service Center (FSC) must keep the identity of the families confidential due to the sensitive nature of their situations.

Thank you for your donations to the Friendship Service Center's Holiday Program, and for making the holidays brighter for your neighbors!
